

# AASL Mobile App

## The Mobile App Has Everything You Need to Plan, Connect, and Reflect During Conference

Download the Crowd Compass app from the [Google Play](#) or [Apple App Store](#) or access the online version at [crowd.cc/aasl21](http://crowd.cc/aasl21). Please

**Note:** The name of the app is Crowd Compass by Cvent. AASL National Conference is an event inside this app.

### Plan Your Schedule

You can view all sessions and events under the Schedule. Change the tab at top to “All Sessions” and select what you want to attend by tapping the + button (tap again to unselect). After planning your schedule, you can view your selections under the “My Schedule” tab.

### Plan Your Exhibit Time

Click on the Exhibitor button on the top menu. You can search by name or category, and bookmark by selecting the bookmark icon. Select again to remove the bookmark.

### Session & Event Options

Click open a session to take notes, set a reminder, add to schedule or share a photo from the presentation. You can also find more information about the session and its presenters.

### Information

Under More and then “General Conference Information” you will find an alpha index of additional information for conference.
